

Handicap Procedures and Notes

Timely entry of scores played:

- Enter scores using the golfer's lounge computer or by internet access to the AGA app (www.azgolf.org).
- When scores are not entered on the day of the round played, it is suggested that players write the ESC score down to ensure its properly entered at a later date.
- All recent scores should be entered prior to the 1st and 15th when updated handicaps are calculated.
- All CRMC members must have a AGA handicap.
- Please note that when your score card is turned into the pro-shop for tournaments, the pro-shop will enter the score in the AGA handicap system if its not a match play event.
- Do not generally submit scores for match play events when putts are given and/or holes are conceded.
- If a score was inadvertently entered incorrectly, please check with the pro-shop to correct the entry.

Methodologies to maintain AGA handicap for rounds played outside Az during the summer.

- Automatically link the AGA handicap system to other state or Canada systems.
(or)
- When returning to AZ, manually enter the last 20 or less scores played outside of Az into the AGA handicap system.
(or)
- If a player has submitted at least 20 scores for the previous playing season, they can elect to freeze their AGA handicap at the end of a playing season by not submitting scores for rounds played outside of Az during the summer.

Obtaining latest handicap:

- The www.azgolf.golf AGA handicap system emails handicap index updates to members on the 1st and 15th of each month. Also refer to the AGA site, this site, or the golfer's lounge bulletin board for your latest handicap index..
- Cross reference the handicap index to the specific course tees/rating you are playing to obtaining the playing handicap.

Handicap Ethics

- Each player is responsible to ensure all their scores are accurately ESC calculated and submitted in time for next 1st or 15th handicap calculation.
- The role of the CRMC Handicap Chairman is to address concerns about the validity of a player's handicap particularly for tournaments.
